

Victoria IMBA Scholarship Information Sheet

Three types of scholarships are available to successful applicants*:

Loyalty Points (Quota: 8)

Our IMBA programme not only develops your intellectual ability but also builds friendships. We treasure rapport between alumni and prospective students. To this end, Loyalty Points are granted to both referees who identify themselves with the IMBA programme and the referred who envision the same value.

Eligibility: Limited on a first-come, first-served basis to successful referrals from current IMBA students and IMBA alumni (\$1,000 for the referee) who refer us to external candidates (external to APIB and SCS graduates) (\$4,000 for the referred) who join the programme and pay their first quarter tuition. The \$4,000 for the referred will be deducted on a pro-rata basis across the four quarterly payments.

Victoria Pride (Quota: 7)

A highlight of the Victoria IMBA is the New Zealand Study Tour. In addition to corporate and cultural tours, students will visit their alma mater, Victoria University of Wellington. The Scholarships bind our students with New Zealand, the origin of the programme.

Eligibility: Subject to the successful organization of the Study Tour, each awardee will receive HK\$6,000 which goes against local NZ trip expenses. The Scholarships will be granted on the quality of personal essay from interested candidates - as well as consideration of academic progress in the programme to date.

APIB Elites (Quota: 3)

This IMBA programme completes the APIB ladder of progression. To promote this professional development among APIB graduates, Victoria University of Wellington will grant each eligible candidate \$10,000.

Eligibility: Applicants with top 3 GPA scores during their study at APIB. The \$10,000 will be deducted on a pro-rata basis across the four quarterly payments.
